SATTAR LALPURWALA

UI/UX & Graphics Designer · 4+ Years Experience

Ahmedabad, Gujarat, India | +91 84694 97397 | sattarmemon499@gmail.com

PROFESSIONAL SUMMARY

UI/UX Designer with 4+ years of experience designing intuitive, engaging experiences for web and mobile products across Healthcare, SaaS, FinTech, E-commerce, Booking Platforms, WMS, POS, Informative Apps and Product-based Apps. AI-powered platforms. Skilled in translating requirements into effective experiences through user flows, wireframes, prototyping, and high-fidelity design in Figma, with strong command of typography, layout, spacing, and visual hierarchy. Additionally experienced in graphic design branding, social media creatives, and print materials — for consistent brand communication. Experienced working closely with Product Managers and Engineers from concept to launch, conducting user research and usability testing, and iterating based on feedback. Contributed to scalable design systems, with working knowledge of HTML/CSS and AI-assisted design tools (Copilot ai, Cursor.ai, UX Pilot).

UI/UX & Graphics Designer
Gohil Infotech Pvt.Ltd *Mar 2026 – Present · Ahmedabad, India*

- Designed high-fidelity UI for web and mobile products, translating product requirements into clear user flows, wireframes, and prototypes in Figma.
- Collaborated with cross-functional teams to take designs from concept to launch, using AI-assisted prototyping tools (v0.dev, Bolt.new) to accelerate iteration.

PROFESSIONAL EXPERIENCE

UI/UX & Graphics Designer
Hyperlink Infosystem Pvt. Ltd. *Dec 2024 – Mar 2026· Ahmedabad, India*

- Led end-to-end UI/UX design across SaaS and enterprise verticals, from wireframes to high-fidelity, production-ready screens.
- Established a unified design system & component library in Figma, reducing design inconsistency by 35% and improving cross-product consistency.

UI/UX Designer
Impero IT Services Pvt. Ltd. *Apr 2024 – Nov 2024 · Ahmedabad, India*

- Designed website and product layouts with strong attention to typography, spacing, and visual hierarchy, aligned to global brand standards.
- Conducted usability reviews and iterated designs based on stakeholder feedback.

UI/UX & Graphics Designer
Konzept Solution Pvt. Ltd. *Sep 2022 – Mar 2024 · Ahmedabad, India*

- Designed product and print layouts, working closely with Dev and QA teams to validate design accuracy during implementation.
- Built foundational Figma component and prototyping skills that underpin current high-fidelity UI workflows.

KEY ACHIEVEMENTS

- Led the conceptualization and design of **25+ digital branding and products**, delivering intuitive visual experiences across Healthcare, SaaS, and E-commerce domains.
- Built a scalable graphic asset library, brand design system, and reusable creative components that streamlined cross-platform **consistency and reduced asset production time by 30%.**
